

BILL TO REDUCE SALARIES.

Railroad Commissioners Are Paid Too Much—Other Legislative News.
 Atlanta, August 2.—Somewhat of a bill was created in the house yesterday when the general assembly approved the bill was under discussion, by Mr. Knight, an amendment offered by Mr. Knight, an amendment proposed to reduce the salaries of the members of the railroad commission from \$2,500 to \$1,000 each.

The appropriation to the state sanitarium at Milledgeville brought up the next debate. The sanitarium was given \$307,500 in 1905 and the committee increased it to \$360,000 for 1906 and \$370,000 for 1907.

Mr. Davis, of Burke, chairman of the general appropriations committee, explained why the increase had been made at the urgent solicitation of the trustees. Considering the conditions and the number of inmates cared for, the state sanitarium, Mr. Davis declared, is the cheapest of all the state's institutions. There are now 3,016 patients in the sanitarium, and they are increasing at the rate of 100 a year. He said the trustees had asked for \$297,000 for 1906, and \$407,000 for 1907, but the committee had gone carefully into the matter and considered that, while the amounts given by the committee would be sufficient, they were absolutely needed.

In the Senate.

An important suggested amendment to the constitution of the state which has been before the legislature for the past several years, but which the general assembly has never yet given the people an opportunity to pass upon was again presented in the senate Monday by Senator Candler.

Senator Candler's bill provides for an amendment to paragraph 2, section 2 of article 7 of the constitution of Georgia as to enlarge the power of exemption from taxation of all places of religious worship of burial, and all property belonging to colleges, incorporated academies of other seminaries of learning.

The only general measure which has been transmitted to the senate by the house came over Monday. This was Hon. T. B. Felder's reformatory bill. It will doubtless be several days before this bill will reach a vote in the senate, as it has yet to be read the required number of times and be considered by the proper committee.

A Worm Killer.

J. A. J. Montgomery, Puxico, Wayne county, Mo., writes: "I have little twin girls, who have been bothered with worms all their lives. I tried everything to relieve them, which failed until I used White's Cream Vermifuge. The first two doses brought four worms from one of them, the next two doses, twelve, one of them measuring three inches; the other child was only relieved of four worms. It is an excellent medicine." White's Cream Vermifuge is good for children. It not only destroys worms—it helps the child to perfect growth, wards off sickness. Sold by W. M. Johnson.

War Declared on the Mosquitoes.

New York, August 2.—Destruction of mosquito larvae will call for the next out of the shrubbery around Long Island and New Jersey resorts, has almost eliminated the pests, according to reports collected by the Health Department. Experiments which began two or three years ago have been entirely successful. The sprinkling of kerosene or crude oil has been replaced by systematic ditching at many points which has completely obliterated the swamp spot where the mosquitoes were in former years bred by the millions.

Rheumatism.

When pains or irritation exist on any part of the body, the application of Ballard's Snow Liniment gives prompt relief. E. W. Sullivan, proprietor Sullivan House, El Reno, O. T., writes, June 4, 1905: "I take pleasure in recommending Ballard's Snow Liniment to all who are afflicted with rheumatism. It is the only remedy I have found that gives immediate relief." Price, 25c and \$1. Sold by W. M. Johnson.

FIGHT FOR CUSTODY OF MOTHER

Children Want to Keep Their Parent So They Can Get Money.

Chicago, August 2.—Mrs. Mary Mulholland, the wealthy Vicksburg, Miss., widow, alleged to be held a captive in the Gerald building, by her two daughters, Daisy E. and Hattie Mulholland, has been found by a deputy sheriff at the residence of her brother, Fred Sloat.

Mrs. Mary Fovell, also a daughter of Mrs. Mulholland, had begun habeas corpus proceedings. Discovery of the missing woman brought with it a threatened arrest of Miss Daisy Mulholland on the charge of contempt of court. She was taken into custody and then released on promising to produce her mother before Judge Dupuy where the battle for the aged woman's custody will be fought.

Patrick Henry, administrator of the estate of Charles Mulholland, who became wealthy operating Mississippi river steamboats, many years ago, is in Chicago ready to take part in the controversy over the custody of the widow. It is said that the county may be appealed to for an examination into the sanity of Mrs. Mulholland.

Given Up to Die.

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run-down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good, and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." J. W. McCollum & Co.
